ATCHERLEY'S LAST WORD

THINK THEIR CAUSE IS RIGHTIOUSLY JUST

THEIR TROUBLES FULLY EXPLOITED — OR HOW THEY ARE WORKING TO RIGHT ALLEGED WRONGS.

Editor Evening Bulletin:—So you attribute all Kona's troubles to poor me. That the Doctor and I are charged with trouble-makers by no honest Republicans or otherwise but by yourself as one of the Commissioners for the Board of Education and your unfortunate School Agent for North Kona (M. F. Scott)—President Pinkham of the Board of Health and his pet appointee (but desperate Dr. E. S. Goodhue) as Gov't. Physician and the biased drinking Magistrate and three or four followers. Amounting in all five or six in number.
But alas for poor me! I am deeply grieved that I have been obliged to thrash out the evil that has been hidden for all these years in the Kona if the Bulletin lives long enough and the above parties are not cleaned out—you may be able to learn more.
You say nothing about the School Agent M. F. Scott, who held the Davis land illegally without a title and when approached by me as agent for the Davises, kicked me down the steps of his house and beat me—with the help of his two Japs servants, threw me out of the gate of the premises. Say nothing of the hearing of this case before District Magistrate G. Clarke—where I had strong evidence for assault and battery on me by M. F. Scott and two Japs the said District Magistrate did there and then discharge the Japs and fined M. F. Scott the School Agent only (\$5.00) five dollars for the crime. Whereas any other Magistrate after the evidence where shown and the defendant pleading guilty, according to several opinions of those present at the Court, would have fined M. F. Scott and his two servants the highest penalty of the law.
There is not a word about the legality of our proceedings in the Davis land—so called Honolulu School case, or the fact we were guided by a competent lawyer as the only remedy for the existing evil. There is not a word as to Judge Clarke's attempting to participate in a riot and carrying the summons in his pocket to serve on us (the owners of the land, etc.) or to render the proceedings of the case futile. There is not a word as to the wire telephone messages sent to the Police force of this District—to the County Attorney and County Sheriff or to the Deputy Attorney General and the High Sheriff Henry who left the District with thorough disgust at the fool's errand given them by the notorious School Agent M. F. Scott & Co. You say nothing of the sympathy shown our party by Sheriff Henry, in putting up the Bond's money in hard cash for the members of our party.
Not a word of all this. Excitement there has been undoubtedly. Disturbances none. So many letters to the papers by me, are like this one; merely replies in full to attacks.
There has been all this and you call it an enigma, just as tho' no one had held land wrongfully before or there had never been a one-sided Magistrate with excessively virtuous habits!
I cannot say, I see anything political in all this.
Correspondence about the Board of Health arose as you or Alawa or the public very well know—or even the Circuit Judge. Then the contemptuous treatment on the part of the Board of Health to a petition signed by some 210 Voters and the charge by Dr. E. S. Goodhue that I circulated the petition, etc. This is about all the substance of the excitement in Kona. There of course is your charge; that altho' Alawa rote the letters to you, etc., but the phrasing is similar to mine. Good reasons why, they are the same—because we all feel the same way towards you and the Board of Health's assumptions towards the inhabitants of these Districts. And tho' you charge us again of only complaining against Magistrate Clarke for failure to render Justice on a certain occasion. You certainly know that the complaint is made for failure to render Justice on several occasions. You perhaps is not aware that this same Magistrate Clarke has been once discharged before for drunken misbehavior rendering him incompetent.
Judge McWayne was then appointed to the post.
I am glad to see that you hesitate after condemning the active Komaites to characterize the sensible silent ones as fossils or conservatives. If it please you, why not continue to call them Conservatives and those that kick at Abuses and bring to light the dirty performance of these three Gov't. officials—(Scott, Clarke & Goodhue). "Disturbances of the Peace." It may please you, but I assure you that it cannot hurt the latter in the eyes of sensible people even the honest Republicans. How many have been trapped in the same box as we have been by the School Agent M. F. Scott? Only the Circuit and Supreme Court Records can tell.
It is to be hoped that the Political Cloak, you throw, over the Court, may cover all the sins of the above defendants (Scott, Clarke & Goodhue). If officials elected by voters write with a political Tendency—a Political Journal should hardly find fault.
Perhaps the Bulletin's fears of a strong Home-Rule-Democrat reaction all over the Islands are not unfounded. In the meantime a Republican Journal like yours perhaps does well to defend the Corrupt Officials of its party for this District. The tactics of Political warfare not always been remarkable for there purity.
Dear Editor—you do well to make the most of your time now—in assuming a verdict in favor of Mr. Scott.

Judge Clarke, Dr. Goodhue & Co. whereas I am content to wait for the time when their respective cases come into the court in April. This letter will conclude all I have to say on these matters until the Verdicts are out. It is no use writing to people who will not listen to reason and ignore facts.
I am, sir, respectfully yours,
MARY H. ATCHERLEY.
Honolulu, Kona, T. H., Feb. 9.

DR. ATCHERLEY'S LETTER

Editor Evening Bulletin:—So you again refer to me in your Journal, of course with disparagement. You almost tempt me to dip my pen in vitriol instead of what Sam Slick called "Soft Sauder." You say Kona was quiet till I came here and that I helped to disturb it—"post hoc, propter hoc," wonderful logic, this Mr. Bulletin!
Your efforts to defend the cause of a very small clique here are really amusing. To do so you have to distort your vision till illegal actions become legal, vices become virtues, and the arrest of the healthy as lepers, a praiseworthy act!
Really to be condemned by such a paper as yours has now become more of an honor than anything else. I have no more to say. I enclose a card and you will please print my name or not according to your view that I am ashamed of myself or on the contrary am ashamed of my opinions.
I am, sir, yours, etc., Dr. John Atcherley, M. R. C. S., L. R. C. P., Honolulu, N. Kona, P. O. Box 20

Dr. Atcherley has not objected to free advertising and has written communications published in the Bulletin to which he signed a name de plume.—Editor Bulletin.

ATKINSON GETTING READY FOR ELECTION

The Acting Governor yesterday wrote to W. A. Kinney as follows:
February 10, 1906.
W. A. Kinney, Esq., Chairman, Democratic Executive Committee, Honolulu, Oahu.
Dear Sir:—For your information I quote section 30, chapter 10, of the County Act of 1905, as follows:
"The precincts and polling places established by the laws of the Territory for the election of senators and representatives, shall constitute the precincts and polling places for the election of county officers; provided, however, that in places where, under the existing division of precincts, voters in different districts vote at the same polling place, the Governor is hereby required to change the polling places within each district so as to allow the voters of such district to vote within the district in which they are registered."
In accordance with the foregoing section, it will be necessary to change some of the election districts, and it is desirable to do this before the different political parties hold their primary elections.
Will you, therefore, be kind enough to advise me, not later than March 31, 1906, what changes are necessary, in your judgment, to conform with the foregoing section?
At the same time, will you be kind enough to advise me what, if any, precinct changes should be made to conform to such district changes as you may suggest.
I shall also be glad to learn if there are any other precinct changes that you may suggest for the greater convenience of the voters, bearing in mind that the county election for county officers will take place this year, on the same day and at the same time, as the elections for delegates, senators and representatives.
Yours truly,
(Signed) A. L. C. ATKINSON,
Acting Governor of Hawaii.

TOURIST EXPLAINS

Honolulu, Feb. 12, 1906.
Hawaii Promotion Committee, City.
Gentlemen:—As considerable mention was made a few days since about a driver, who refused to take a party of tourists beyond the half-way house on the road up Tantalus, Justice seems to require that mention should be made of the fact that it was not a hackman that took our party on this ride, but a three-seated rig from the Club Stables.
As soon as the Club Stables ascertained the mistake made by their driver, they promptly and voluntarily advised us that they would take our party of five in another team to the top of Tantalus free of charge, and they have since carried out this offer, furnishing team and driver for that purpose to our entire satisfaction.
It is needless to say that the action of the transient driver furnished by the Club Stables was entirely without their knowledge or approval.
I wish to add also that I have used several teams from different stables in Honolulu and found them always just and fair in their charges and faithful to carry out their agreement.
Very truly yours,
TOURIST.

How to get votes to win a place in the BULLETIN'S \$2000 Contest

The Bulletin office has been asked a hundred times in the last week, by contestants and their friends, for a list of its subscribers. This cannot be granted, as it would be unfair to the persons not having the list. The real, live, earnest prize-winning way is for contestants to solicit votes from ALL their friends—if they already take the paper (which is likely), then their votes on old subscriptions may be secured; if they do not now take The Bulletin, it is up to the vote-hunter to see they subscribe at once, thereby getting the needed vote coupon and placing in the hands of the new subscribers the best newspaper published in the Territory of Hawaii.
The prizes are a \$1400 REO TOURING CAR, 16 horsepower, seating five people. The Second Prize is a \$350 KROEGER PIANO; Third, a \$5000 INSURANCE POLICY; Fourth, A SILVER PUNCHBOWL; Fifth, a \$40 STORE ORDER; Sixth, a DOMESTIC SEWING MACHINE; Seventh, a LEATHER GOLF BAG AND SET OF STICKS; Eighth, a WINCHESTER REPEATING RIFLE; Ninth, a SOLE LEATHER SUIT CASE; Tenth, a KODAK DEVELOPING MACHINE.
